

# Worker Recruitment Support

We can help you find and hire your Support Workers.

It is important you find Support Workers you get along with.

## How Lifestyle Solutions can help

Before you hire a Support Worker we will ask you

- What makes a good Support Worker
- What do you want your Support Worker to do.

We will support you to hire a Support Worker by

- Advertising the job
- Going through the applications
- Interview people for the job.

After you choose a Support Worker we will help you train them.

## **NDIS**
